

RBC 700 Safety, patrol, survey

The RBC 700 is our smallest and most versatile cabin workboat. Our customers use this 7 metre workboat for dive support, surveying, patrolling and crew tendering. The unsinkable HDPE hull has a flexible layout to accommodate all your requirements: dive door, push bow, towing bit etc. The boat can be equipped with all modern navigation and communication equipment and is fully trailerable.

Scan and configure your own boat
